Re: Submission of DC-572

Mr. Kelliher,

I received your DC-572 and letter from Chaplain Brown to review and respond accordingly. After a thorough review of the documentation, I find this is an inappropriate use of the DC-572 form. I also find that Mr. Alpha Herring, Correctional Case Manager, is correct in the direction he has given you as outlined in his letter dated September 20, 2016.

Chaplaincy Services, Facility Heads and designated staff seek to protect the integrity and authenticity of the beliefs and practices of religious services and programs according to policy, while maintaining the security and operational needs of the facility. Be advised, no further action is required.

Sincerely,

  
Chaplain Susan Addams  
Regional Chaplain
